### YMCA CCRR Outreach Services Expansion

Outreach Services the YMCA CCRR provides have now expanded! As of September, 2024, we will now be offering the following, expanded outreach services to these populations:

#### Child Care Workforce/Child Care Providers:

- Professional Development Workshops delivered by our CCRR consultants. Either we'll come to your child care program, your child care staff can come to us, or we'll host the workshop online. Let us know which you'd prefer! All participants will receive a professional development certificate.
- "Unboxing the Resources" - Visits from our CCRR consultants to your child care program's story/circle time, which will feature resources from our Early Learning Library that will be available for you to then borrow.
- Support for Special Events: In need of extra, out-of-ratio, hands for special holiday or graduating events at your child care program? Let us know, we'd love to come help!
- Dropping Off & Picking Up of YMCA CCRR Early Learning Library resources. Access our library resources easily while also saving yourself valuable time!
- CCRR Service Presentations delivered in your child care program or online. Join us with your staff to learn more about the services the YMCA CCRR provides to child care workforce/providers, and let's get acquainted!

#### Early Learning Students:

- Continuation of CCRR Service Presentations (on-campus) to ECE classes and cohorts, helping raise awareness of the ways in which we support early learning students and professionals.
- Continuation of YMCA CCRR office tours for ECE classes and cohorts. Come see our early learning library with your classmates!
- As always, a welcoming presence to all early learning and ECE students to learn about early learning library resources in a helpful and encouraging way.
